RE: Proposed vacation of VACATION LANE SE, Salem, Oregon

I oppose the vacation of VACATION LANE SE because:

- (1) The purpose is not specified, and
- (2) The impact cannot be determined because the purpose is not specified, and
- (3) Any negative problems are not identified and therefore not dealt with, and
- (4) Neighborhood residents cannot identify or resolve objections.

HAROLD E. EVENSON

610 WINDING WAY SE.
