

ODOT/City of Salem
Agreement No. 32923

**INTERGOVERNMENTAL AGREEMENT
Oregon Motor Carrier Safety Action Plan
(MCSAP)**

THIS AGREEMENT is made and entered into by and between the STATE OF OREGON, acting by and through its Department of Transportation, hereinafter referred to as "State;" and the City of Salem, acting by and through its elected officials, hereinafter referred to as "Agency," both herein referred to individually or collectively as "Party" or "Parties."

RECITALS

1. By the authority granted in Oregon Revised Statute (ORS) 190.110, state agencies may enter into agreements with units of local government for the performance of any or all functions and activities that a party to the agreement, its officers, or agents have the authority to perform.
2. Pursuant to ORS 825.248, the Oregon Department of Transportation (ODOT) is required to develop an annual commercial motor vehicle safety plan, referred to as the Oregon Motor Carrier Safety Action Plan (MCSAP). The goal of the MCSAP is to reduce accidents involving commercial motor vehicles (CMV) and to reduce injuries and fatalities resulting from accidents involving CMVs. On-road vehicle inspections focusing on conditions that would require the CMV or CMV operator to be taken out of service can reduce truck-at-fault crashes on Oregon highways. Because the on-road vehicle inspections would be precipitated by a valid traffic stop of the CMV, the on-road vehicle inspections may also curb unsafe driving actions of CMV operators that would be subject to a traffic citation or written warning.
3. By the authority granted in ORS 825.250(2), the Oregon Department of Transportation (ODOT) may enter into agreements with a county or city to provide inspections of commercial vehicles, drivers, general cargo or hazardous materials when the inspections are performed by employees of the Agency or agency who have been trained and certified by ODOT as a commercial vehicle inspector pursuant to ORS 810.560.
4. Agency employs individuals who are trained and certified by ODOT as a commercial vehicle inspector pursuant to ORS 810.560. Agency wishes to have said employees perform inspections of commercial vehicles, drivers, general cargo or hazardous materials on behalf of, and at the request of, State.
5. State wishes to enter into an agreement with Agency to facilitate increased inspection of commercial vehicles, drivers, general cargo or hazardous materials, using employees of the Agency who have been trained and certified by ODOT as a commercial vehicle inspector pursuant to ORS 810.560 in order to enhance highway safety through uniform commercial motor vehicle inspections conducted statewide.

NOW THEREFORE, the premises being in general as stated in the foregoing Recitals, it is agreed by and between the Parties hereto as follows:

DEFINITIONS

1. "Authorized Representative" as defined in ORS 825.250(2), means a city, agency or state employee who has been trained and certified by Oregon Department of Transportation (ODOT), as a commercial vehicle inspector, as defined in Oregon Administrative Rules (OAR) 740-100-0015, and who is employed either by ODOT or by an agency that has an agreement with ODOT to provide inspections of commercial vehicles, drivers, general cargo or hazardous materials.
2. "Commercial Motor Vehicle (CMV)" means any self-propelled or towed motor vehicle used on a highway in commerce to transport passengers or property when the vehicle has a gross vehicle weight rating or gross combination weight rating, or gross vehicle weight or gross combination weight of 10,001 pounds or more or is designed or used to transport more than 8 passengers, including the driver, for compensation or is designed or used to transport more than 15 passengers, including the driver, and is not used to transport passengers for compensation or is used in transporting as hazardous material as defined by the U.S. Department of Transportation under 49 U.S.C. 5103 and transported in a quantity requiring placarding under regulations found in 49 CFR, subtitle B, chapter I, subchapter C.
3. "Qualifying Safety Stop (QSS)" means a stop of a CMV that result in a truck/driver inspection report and a written traffic citation or written warning for unlawful/unsafe driving behavior.
4. "Highway" means every public way, road, street, thoroughfare and place, including bridges, viaducts and other structures within the boundaries of this state, open, used or intended for use of the general public for vehicles or vehicular traffic as a matter of right.

For the purpose of enforcing traffic offenses contained in the Oregon Vehicle Code, except for ORS 810.230, "highway" includes premises open to the public that are owned by a homeowners association and whose boundaries are contained within a service district established on or before July 1, 2002, under ORS 451.410 to 451.610. [1983 c.338 §51; 2007 c.561 §1]

6. With respect to a Third Party Claim for which Agency is jointly liable with State (or would be if joined in the Third Party Claim), Agency shall contribute to the amount of expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred and paid or payable by State in such proportion as is appropriate to reflect the relative fault of Agency on the one hand and of State on the other hand in connection with the events which resulted in such expenses, judgments, fines or settlement amounts, as well as any other relevant equitable considerations. The relative fault of Agency on the one hand and of State on the other hand shall be determined by reference to, among other things, the Parties'

relative intent, knowledge, access to information and opportunity to correct or prevent the circumstances resulting in such expenses, judgments, fines or settlement amounts. Agency's contribution amount in any instance is capped to the same extent it would have been capped under Oregon law, including the Oregon Tort Claims Act, ORS 30.260 to 30.300, if it had sole liability in the proceeding.

7. The Parties shall attempt in good faith to resolve any dispute arising out of this Agreement. In addition, the Parties may agree to utilize a jointly selected mediator or arbitrator (for non-binding arbitration) to resolve the dispute short of litigation.
8. This Agreement may be executed in several counterparts (facsimile or otherwise) all of which when taken together shall constitute one agreement binding on all Parties, notwithstanding that all Parties are not signatories to the same counterpart. Each copy of this Agreement so executed shall constitute an original.
9. This Agreement and attached exhibits constitute the entire agreement between the Parties on the subject matter hereof. There are no understandings, agreements, or representations, oral or written, not specified herein regarding this Agreement. No waiver, consent, modification or change of terms of this Agreement shall bind either Party unless in writing and signed by both Parties and all necessary approvals have been obtained. Such waiver, consent, modification or change, if made, shall be effective only in the specific instance and for the specific purpose given.
