What prompted your interest in applying to serve as a board or commission member?

It is something that interests me, and going to meetings about State Street made me more aware of the need for citizens participation in the process.

Please explain how your education, professional, personal, or volunteer experience and knowledge qualify you to serve on the board(s) or commission(s) for which you are applying.

In my professional life I did a fair amount of statistical analysis and testing. I also was considered a key person in working out solutions between technical and non-technical departments at Delta Net (subsidiary of Delta Dental).

List any experience you have with volunteering for the City of Salem or other organizations.

This would be my first volunteer experience with the City of Salem. I have been a volunteer at KMUZ-FM since retiring in 2013 and became Operations Manager in November of 2017 (unpaid).

Briefly explain any experience you have working with your neighborhood association or other public bodies or committees.

I sometimes attend my Neighborhood Association meetings (NEN), I have attended Planning Commission meetings and some what regularly attend City Council meetings. I also completed the Citizens Police Academy in 2016.

Can you commit to attending a minimum of 75 percent of scheduled meetings? (Please refer to the City's website for the meeting schedule. Failure to meet the attendance requirement may result in removal from office.)
