Dear Rob,

Thank you for your interest and work with the Secor Park project. As you know the Sunnyslope Association 8,300 plus residents have but one developed city park. The addition of Secor Park will be a very welcome asset for the many new residents of the Davis Road/ Crossler School area.

Base on the information collected during the two community meetings and the design produced by your office, the Sunnyslope Neighborhood Board voted to endorse the concept plan for Secor Park.

We look forward to working with you and other Perks staff to move this project forward. Please let us know what we can do to help with the process.

Thanks for your help.
Alan Alexander, Chair
Sunnyslope Neighborhood Association
