Footnotes

thotes: 1) Carts - The Franchisee shall supply carts and bins as part of service price. Customers will not place larger items or overfill the cart such that the lid cannot close properly. Carts shall be placed at curb or street edge with clear automated access within manageable reach from the street on service day. Maximum weight limits are: 180 lbs. - 95 gal., 120 lbs. - 65 gal., 60 lbs. - 35 gal., 40 lbs. - 20 gal. Customers shall not place hazardous chemicals; paints; corrosive materials; hot ashes and dirt/rocks into the roll cart.

2) 20 gallon solid waste cart service without mixed organics - This service is only offered to those customers that regularly recycle acceptable curbside items.

 Mixed recycling - The process where two or more recyclable materials are collected together (i.e., not separated), in the combination of recyclable materials allowed by the director.

4) Mixed organics - Compostable material as defined by SRC 47.020(e); includes yard debris, food waste and food solied paper when source separated for composting but does not include food solied paper containing plastic or any other material that inhibits controlled biological decomposition.

5) Extra - Solid waste in excess of existing service package size.

 Senior citizen / disabled head of household residential discount - must meet following criteria:

Apply for and be approved for City of Salem Wastewater Rate Assistance Program. Customer must provide proof of approved status on Wastewater Rate Assistance Program. Once approved, 10% discount is applied to entire residential service package.

7) Damaged carts - Due to noncompliance with the recommended usage of carts (see footnote1), carts may be replaced at a cost to the customer. If damage is caused by fire; thet!; flood or other circumstances, carts may be replaced through customers' homeowners insurance or by the Franchisee.

8) Residential Hardship - A residential customer may qualify for a residential hardship provided the tenant(s), caregiver(s) or any other capable family members are physically unable to move a solid waste receptacle to curbiside for pick up. If the hardship is not readily evident to the Franchisee, supporting evidence provided by the customer to the Franchisee is inconclusive, or if the Franchisee believes that a hardship does not exist, the City of Salem may, at the request of the Franchisee or customer, investigate the hardship and render a decision. Must provide adequate accessibility13 for collection vehicles.

TYPE		

- Sharps Container DEQ approved rigid plastic receptacle for residential infectious waste as defined in ORS 459.386 and 459.387.
- Multi-Family complexes 4 or more single family dwelling structures (SFD). If owner has multiple duplexes or triplexes clustered together they may request multi-family services.
- 11) Contamination consists of depositing materials in the designated recycle or yard mixed organics carts that are not compatible for recycling and that requires contaminated recyclable material to be disposed as solid waste.
- 12) Base station Franchisees' main office. Locations vary between franchise routes.
- Accessible Receptacle(s) must be located in single location with acceptable vehicle turning radius and adequate drive-up access. There must be no tree limbs adjacent to receptacle(s), and it must be accessible without manual movement.
- 14) Janitorial Collection of solid waste or recyclable materials that require additional handling by the Franchisee, i.e., removal from yard or building. This service may also include driver/truck time for additional mileage not previously included in established rates.
- 15) Food Waste Waste from meats, fish, shellfish, grains, fruits and vegetables, which attends or results from the storage, preparation, cooking, handling, selling or serving of food for human consumption. Food waste includes, but is not limited to, excess, spoiled or unusable food or dairy products, meats, fish, shellfish, argins, fruits, vegetables, breads and dough, incidental amounts of edible oils, and organic waste from food processing. Food waste does not include large amounts of oils and meats which are collected for rendering, fuel production or other reuse applications. Food waste does not include dead animals not intended for human consumption or animal excrement.
- 16) Food soiled paper Paper products that have been in contact with food or food waste to the degree that they would not be able to be recycled into new paper products. Food soiled paper includes, but is not limited to, used paper table covers, used napkins, pizza boxes, coffee filters and waxy corrugated cardboard. Food soiled paper does not include unsoiled cardboard, paperboard, newspaper or office paper.
