What prompted your interest in applying to serve as a board or commission member?

Since purchasing a "forever home" and deciding to stay in Salem long term, I have decided that it is time to get involved and support in various areas around Salem. My work in previous organizations, some educational, some non-profit, some corporate, some governmental, supports the assertion that I bring a sense of reasonable responsibility and innovate order to the effort, seeking long-term, sustainable, equitable, effective solutions to problems. I believe that I can bring that attitude and expertise to the commission.

Please explain how your education, professional, personal, or volunteer experience and knowledge qualify you to serve on the board(s) or commission(s) for which you are applying.

Although I am currently a public school administrator, I started off my professional career in retail management, and have also worked in various other trades and capacities, including automotive, janitorial, security, insurance, and others. The diversity of my occupational experiences provides me with a unique outlook, one not found among many individuals. I have the ability to see both sides of most arguments, although I tend to seek the middle ground for most things. My work in schools has been equally diverse, whether it is as a classroom teacher, specials teacher, building administrator, or title administrator supporting homeless, migrant, ELL and other students.

List any experience you have with volunteering for the City of Salem or other organizations.

I have served with CATC previously in Salem. I have also volunteered for the following organizations: OATAG (Oregon Association for Talented and Gifted), President 10 years || OBS (Oregon Boys State Leadership Academy), Director 10 years || OACE (Oregon Association for Comprehensive Education), Executive Secretary 8 years || OSSC (Oregon Statewide Spelling Championship and "Bee" at the Fair"), Emcee 9 years || YLP (Young Leaders Program), President/Superintendent/Founder, 3 years

Briefly explain any experience you have working with your neighborhood association or other public bodies or committees.

I have served with CATC previously in Salem.

Can you commit to attending a minimum of 75 percent of scheduled meetings? (Please refer to the City's website for the meeting schedule. Failure to meet the attendance requirement may result in removal from office.)
