Interests & Experiences

What do you feel you can contribute as a board or commission member?

As a life-long resident of Salem and frequenter of downtown, I can provide both anecdotal and generational context to how our City has evolved over the last 30 years. Also, as a recent developer of property in both Downtown and other Oregon cities, I can compare and contrast the experience to help identify areas of strengths and weaknesses for future parties to do the same.

What prompted your interest in applying to serve as a board or commission member?

After visiting and presenting a few times, I saw the value in being a voice to help guide the shape of downtown Salem. My family and I live nearby and work and play down here so I would like to help make it the best it can be.

Please explain how your education, professional, personal, or volunteer experience and knowledge qualify you to serve on the board(s) or commission(s) for which you are applying.

As a graduate of Leadership Salem and the Citizen's Police Academy, I am aware of the mutli-faceted challenges that our downtown community faces. And, after 15 years of professional project management, I can approach these problems with both tact and candor. As a recent business owner, I look forward to offering a holistic view of pressing issues - from the lens of a long-time resident, husband, father, office worker on a lunch break, concerned consumer, business owner, investor, car driver and even bike rider!

List any experience you have with volunteering for the City of Salem or other organizations.

Awesome 3000, Middle School / High School youth groups at Salem Evangelical and Church on the Hill, Sunday class for adults with developmental disabilities

Briefly explain any experience you have working with your neighborhood association or other public bodies or committees.

Only as a developer - have presented to SCAN and CANDO and spent many hours working with the City's historic preservation officer...
