What prompted your interest in applying to serve as a board or commission member?

I really would like to get involved more with the city of Salem. I see some really positive things taking place in the community since I moved here 7 years ago but we still have some things that need to be changed in order to make it a safe and enjoyable environment.

Please explain how your education, professional, personal, or volunteer experience and knowledge qualify you to serve on the board(s) or commission(s) for which you are applying.

I am an Atkinson Graduate School of Business at Willamette University graduate with an occupation that has taught me to be able to communicate with a large number of people with different backgrounds. I have volunteered at Salem Hospital along with the Randall Children's Hospital at Emanuel Hospital in Portland. I have experience in several areas and really want to help make Salem the best community that I know it can be.

List any experience you have with volunteering for the City of Salem or other organizations.

Briefly explain any experience you have working with your neighborhood association or other public bodies or committees.

I have attended a couple of SCAN meetings in my neighborhood and will continue to be involved and hopefully a board member soon.

Can you commit to attending a minimum of 75 percent of scheduled meetings? (Please refer to the City's website for the meeting schedule. Failure to meet the attendance requirement may result in removal from office.)
