Interests & Experiences

What do you feel you can contribute as a board or commission member?

As a Salem born, commercial real estate broker and property owner in the North Downtown URA, I have an invested interest in the future development of our fine city. I would bring to the table a lifetime of watching the city grow and evolve, using the experiences of my past to help promote an inclusive and vitalized future to the area for sustainable growth.

What prompted your interest in applying to serve as a board or commission member?

As mentioned above, I grew up in Salem and have chosen to raise my own family in this beautiful place. I have lived in several Oregon cities as well as other states, but in the end chose to come home to raise my family. For the future enjoyment of my children, career and investment into the city, I feel it is time I took the next step to do as my father and uncle did so many years ago, by taking an active role in the ongoing development of Salem.

Please explain how your education, professional, personal, or volunteer experience and knowledge qualify you to serve on the board(s) or commission(s) for which you are applying.

As noted in my resume, my experience is diverse; spanning career's in agriculture, commercial aviation, food production, business management, property management, commercial brokerage and most importantly, property ownership in one of the city's best areas for future development. I have an ever increasing knowledge of business development, operations and economic influences, all of which I hope to put to work for the benefit of the community.

List any experience you have with volunteering for the City of Salem or other organizations.

This would be my first position volunteering for the city specifically, but I have many hours of community service logged through my years as a Boy Scout in Salem and ROTC in college (OSU). I held a seat on the board of the YMCA of Marion and Polk Counties. Additionally, I held a position, unrelated to Salem, on the finance committee of Grace Episcopal Church in St. Francisville, La.

Briefly explain any experience you have working with your neighborhood association or other public bodies or committees.

I currently hold a seat on the Oregon Department of Energy's - Energy Facility Siting Council, as appointed by Governor Kate Brown and confirmed by the Oregon State Senate. I also participate in the Fairmont Hill Community Foundation, primarily as a resident and donor.

Can you commit to attending a minimum of 75 percent of scheduled meetings? (Please refer to the City's website for the meeting schedule. Failure to meet the attendance requirement may result in removal from office.)
