What prompted your interest in applying to serve as a board or commission member?

A vacancy was created when my co-worker's term expired. I would like to maintain our company's involvement in the advisory board.

Please explain how your education, professional, personal, or volunteer experience and knowledge qualify you to serve on the board(s) or commission(s) for which you are applying.

The majority of my career I was an active food scientist following logical deductions and problem solving based on the scientific method. My current role in Sales I get to be an advocate for my customers while balancing the needs and capabilities of my company and factory. Before I moved to West Salem, I held separate roles of Director at Large, Treasurer, Vice President, and President of my HOA. I fully understand hearing the voices of the community and making tough but decisive rulings to help the many while not forgetting the few.

List any experience you have with volunteering for the City of Salem or other organizations.

None.

Briefly explain any experience you have working with your neighborhood association or other public bodies or committees.

I have not had any experiences in my current neighborhood association, but held roles in my previous HOA as already noted.

Can you commit to attending a minimum of 75 percent of scheduled meetings? (Please refer to the City's website for the meeting schedule. Failure to meet the attendance requirement may result in removal from office.)
