

MEMO

TO: Pamela Cole
Community Development Department

FROM: Toni Whitler
Public Works Department

DATE: April 5, 2021

SUBJECT: **Annexation ANXC-730, 2527 and 2547 Robins Lane SE**

Park Service and Pedestrian Access

No City park is impacted by this annexation. The proposed annexation lot size including 5.563 acres of right-of-way is 47.323 acres and is unserved by a City park. The Comprehensive Parks System Master Plan shows the need for a Neighborhood Park (NP15) in this area. Currently, the nearest neighborhood park is Wes Bennett Park; however, this annexation property is outside the 0.5-mile service area of that park. Therefore, this annexation is unserved by a park and is needed in this area as shown in the Comprehensive Parks System Master Plan.
