

## Category II: URA Annual Requirement Contracts

The following Category II annual requirements contracts were approved administratively during the month of April 2021. The not-to-exceed contract amounts are competitively set by applying bidder's/proposer's per unit price(s) to estimated annual requirement quantities. These contracts carry no guarantee for quantity of units purchased or services performed during any annual contract period. Both the bids and the contracts themselves state that the Agency retains the right to not award contracts and/or change contract amounts, both dollar and quantity, based on specific Board/Budget Committee actions/decisions. These are non-exclusive one-year contracts that may be renewed for up to four additional one-year renewal periods.
