RECOMMENDATION:

SUMMARY AND BACKGROUND:

The City Manager, or his designee, approves administrative awards, renewals, and modifications of

All completed procurement transactions valued at \$25,000 and above that have been recommended for award by user departments are presented in the Weekly Purchasing Report and reviewed for compliance with the Public Contracting Rules.

This report presents the previous month's public contracting activity in three categories: Category I Procurement Contracts are public contracting activities with current fiscal year impact; Category II Procurement Contracts are FY 2016-17 Annual Requirements contracting activities; and, Category III Procurement Contracts are FY 2016-17 Consultant of Record (COR) contracting activities.

The specified quantity levels stated within the Category II Procurement Contracts are merely estimates of the goods and services required to support operations for the coming fiscal year.
