SUMMARY AND BACKGROUND:

A Class 2 Zoning Adjustment decision is appealable to the Hearings Officer. Upon receipt of an appeal of a Class 2 Zoning Adjustment decision, notice of the appeal shall be provided to City Council. City Council may assume jurisdiction for review. If the City Council does not assume jurisdiction, the Hearings Officer shall hear the appeal, and the Hearings Officer's decision will be the final decision of the City.

FACTS AND FINDINGS:

On August 7, 2017, the Planning Administrator issued a decision denying Class 2 Adjustment Case No. ADJ17-09, requesting adjustments to increase the maximum square footage for all accessory structures on a property zoned RS (Single Family Residential) from 1,000 square feet to 1,400 square feet; and to decrease the minimum rear yard setback for an accessory structure from 6 feet to 3 feet. On September 1, 2017, applicant John Anderson filed an appeal of the decision (Attachment 1).
