RECOMMENDATION:

Vote by ballot to appoint one applicant to fill a partial-term vacancy expiring on December 31, 2020.

SUMMARY AND BACKGROUND:

The Salem Planning Commission is established in SRC Chapter 6 and provides that the Commission shall consist of nine members to be appointed by the City Council, not more than one of whom shall be a nonresident of the City of Salem. If the City Council appoints a nonresident member, that member shall reside within the Salem/Keizer Urban Growth Boundary. No more than two members shall be engaged principally in the buying, selling, or developing of real estate for profit as an individual or be a member of any corporation this is engaged principally in the buying, selling, or developing of real estate for profit.

The Salem Planning Commission acts as an advisory commission to the City Council with a broad scope of concern in promoting the growth and orderly development of the City of Salem. In addition, the Commission reviews and issues decisions regarding a number of quasi-judicial land use applications. The Council Committee reviewed and considered applications for an open position and recommended the four applicants listed below in the Facts and Findings be interviewed by the City Council on February 26, 2018. There is one partial-term vacancy on the Planning Commission. Ballots are to be cast and counted following the interviews taking place prior to the City Council meeting.

FACTS AND FINDINGS:

There is one partial-term vacancy for a term expiring on December 31, 2020. The Council Board and Commission Appointments Committee reviewed applications and recommended the following four (4) applicants for consideration: David Barber, Michael Hughes, Chi Nguyen-Ventura, and Jairus (Jerry) Watson. Copies of the candidates' applications to the Planning Commission are attached.
