SUMMARY:

The economic impacts of the COVID-19 pandemic are severe for many Salem businesses. To support local businesses, specifically downtown businesses during the upcoming holiday season, staff is proposing a grant to SMSA in the amount of \$5,000.

Grant funds will be used to support SMSA's efforts to market Salem's downtown and draw shoppers to the area during the holiday season. Eligible expenses include promotion of downtown events, marketing materials produced by SMSA, and funding a temporary staff position hired by SMSA to coordinate these promotional efforts.

FACTS AND FINDINGS:

There is sufficient budget authority within the Urban Development General Fund budget to fund the grant.

BACKGROUND:

The City has adopted several grant programs to support small businesses in the community, established downtown street closures to assist restaurants serve more customers, and authorized grants to local Cultural and Heritage non-profits to aid with business expenses.
