BACKGROUND:

Citizen Budget Committee

The State of Oregon requires that all local governments establish a budget committee made up of citizen members and elected officials. The purpose of the budget committee is to promote transparency, efficiency and economy in the expenditure of public funds. Pursuant to Oregon Revised Statutes (ORS) 294.341, the budget committee shall consist of "the members of the governing body and a number, equal to the number of members of the governing body, of qualified electors of the municipal corporation appointed by the governing body."

Downtown Advisory Board

This joint advisory board advises the Urban Renewal Agency Board on matters related to urban renewal and tax increment fund allocations, and will advise the City Council on matters related to the Downtown Parking District and the Parking Fund.

Salem Public Library Advisory Board

Salem Revised Code Chapter 18 authorizes the City Council to make appointments to the Salem

Public Library Advisory Board.

While these recommended appointments are important to the ongoing viability of the City's boards and commissions, volunteer positions are almost always available. To learn of current vacancies, interested individuals may refer to the boards and commissions page on the City's website at <https://www.cityofsalem.net/boards-and-commissions>.
