The subject property is approximately 37 acres in total size, currently split-zoned RM-II (Multiple Family Residential) and MU-II (Mixed Use), and located at the 2100 Block of Doaks Ferry Rd NW. The proposal focuses on the multi-family development proposal of the RM-II zoned portion of the subject property, which was redesignated to Multiple Family Residential on the Salem Comprehensive Plan Map and rezoned to Multiple Family Residential (RM-II) in April of 2022. The rezone was requested by the developer, approved by the Planning Commission, and affirmed by the City Council.
