**RECOMMENDATION:**

Discussion.

**SUMMARY AND BACKGROUND:**

The Salem Strategic Plan articulates the mission, vision, values and goals of the City to more effectively serve its people. The Strategic Plan charts a three to five year course for the City and represents the culmination of extensive community input on issues, followed by discussion and vetting by issue work groups of actions that would advance the policy issue. Through an annual City Council Policy Agenda, City Council will make its initial priorities for action clear to staff and the community, and provide direction on aligning resources towards the policy areas in the Salem Strategic Plan.

**FACTS AND FINDINGS:**

To assist City Council in working through the Strategic Plan issues and its Policy Agenda, staff has drafted a schedule for 2018 Work Sessions on Policy Agenda-related topics (Attachment 1).
