BACKGROUND:

Citizen Budget Committee

The State of Oregon requires that all local governments establish a budget committee made up of citizen members and elected officials. The purpose of the budget committee is to promote transparency, efficiency and economy in the expenditure of public funds. Pursuant to Oregon Revised Statutes (ORS) 294.341, the budget committee shall consist of "the members of the governing body and a number, equal to the number of members of the governing body, of qualified electors of the municipal corporation appointed by the governing body."

Downtown Advisory Board

This joint advisory board advises the Urban Renewal Agency Board on matters related to urban renewal and tax increment fund allocations, and will advise the City Council on matters related to the Downtown Parking District and the Parking Fund.

Salem Cultural and Tourism Promotion Advisory Board

The Salem Cultural and Tourism Promotion Advisory Board advises the City Council on matters pertaining to the use of the transient occupancy tax, cultural activities and convention/tourism business in Salem. Pursuant to Salem Revised Code Chapter 16 members of the Salem Cultural and Tourism Promotion Advisory Board are appointed by the Council upon the Mayor's recommendation.

Salem Hospital Facility Authority Board

Oregon statutes provide that a hospital facility authority may be created by the governing body of a county, city or local health district. The purpose of the authority is to assist in the financing of hospital facilities by issuing bonds which will be repaid from the revenues of the Borrower. The Borrower may be publicly owned, or it may be a private, nonprofit hospital or continuing care facility.

Salem Parks and Recreation Advisory Board

The Salem Parks and Recreation Advisory Board recommends to and advises City Council on the acquisition, development, and maintenance of park land and recreational facilities.

Salem Planning Commission

The Salem Planning Commission acts as an advisory commission to the City Council with a broad

scope of concern in promoting the growth and orderly development of the City of Salem.

Salem Public Art Commission

The Salem Public Art Commission is charged with overseeing the City's public art collection and recommending the Public Art Fund annual budget to City Council. The Commission's primary duties include acquisition, maintenance, cataloguing and deaccessioning art within the City's collection.

Salem Public Library Advisory Board

Salem Revised Code Chapter 18 authorizes the City Council to make appointments to the Salem Public Library Advisory Board.

While these recommended appointments and reappointments are important to the ongoing viability of the City's boards and commissions, volunteer positions are almost always available.
