**THROUGH:** Steve Powers, City Manager  
**FROM:** Kristin Retherford, Urban Development Department Director

**SUBJECT:**

Revision to the Salem Revised Code Sections 2.800, 2.830, and 2.835, related to the Multiple Unit Housing Tax Incentive Program

Ward(s): Wards 1 and 2  
Councilor(s): Stapleton and Andersen  
Neighborhood(s): CANDO, SESNA, NEN, SCAN, Highland  
Result Area(s): Good Governance; Strong and Diverse Economy; Welcoming and Livable Community

**SUMMARY:**

As an incentive to create multiple-unit housing in the downtown core, the City of Salem offers an abatement of ad valorem taxes through its Multiple Unit Housing Tax Incentive Program (Program). The Program is set to expire on January 1, 2022, if not extended.

**ISSUE:**

Shall the City Council conduct first reading and advance to second reading Ordinance Bill No. 3-21 to amend SRC 2.800, SRC 2.830, and SRC 2.835 related to Multiple-Unit Housing Tax Incentive Program, extending the program until January 1, 2032?

**RECOMMENDATION:**

Conduct first reading and advance to second reading Ordinance Bill No. 3-21 to amend SRC 2.800, SRC 2.830, and SRC 2.835 related to Multiple-Unit Housing Tax Incentive Program, extending the program until January 1, 2032.

**FACTS AND FINDINGS:**

In 2019, the Legislature passed Senate Bill 262 which extended the State authorization for the Multiple-Unit Housing Tax Incentive Program to January 1, 2032. The proposed ordinance allows the

City to extend its program if it so chooses.

If approved by the City Council, Ordinance No. 3-21 (Attachment 1) will amend the date for which property (Attachment 2) under the Program will be eligible for tax incentives from January 1, 2022, to January 1, 2032, which coincides with the extension of the State authorization provided in Senate Bill 262 (2019).

Staff reviewed the program criteria for potential updates and is not recommending any changes at this time. Attachment 4 provides an analysis of several recent projects and answers some commonly asked questions about the program.

### **BACKGROUND:**

In June 1976, the Council approved an ordinance creating a special boundary and implemented provisions of the legislative act Oregon Revised Statute 307.600-690. The most recent action taken by City Council was in 2011 to extend the program to January 1, 2022, in conjunction with an amendment to the state law. The Program provides up to a ten-year property tax abatement for new or converted, transit supportive, non-transient housing units constructed within the defined core area (Attachment 3) that provide one or more public benefits as defined in the ordinance. Extending the sunset date for the Program is not an approval of projects. Each application requesting approval is evaluated on a case by case basis and approved by Council.

Since 1976, eight properties have been approved by Council for the Program:
