SUBJECT:

Work Session on Solid Waste Management.

Ward(s): All Wards

Councilor(s): All Councilors

Neighborhood(s): All Neighborhoods

Result Area(s): Good Governance; Natural Environment Stewardship; Safe Community; Safe, Reliable and Efficient Infrastructure; Strong and Diverse Economy; Welcoming and Livable Community.

ISSUE:

Work Session on Solid Waste Management in the City of Salem.

RECOMMENDATION:

Information Only

SUMMARY:

At the request of City Council, staff is holding a work session on solid waste management services provided in Salem. The work session is an opportunity for Councilors to learn about the City's solid waste system prior to the rate setting session that will be held this fall.

FACTS AND FINDINGS:

The 2019 Oregon Department of Environmental Quality Material Recovery and Waste Generation Summary for the Marion County watershed, Recycle Right mixed recycling guide, Curbside Recycling poster, and a list of current solid waste rates in Salem are provided in advance of the Work Session for reference.

BACKGROUND:

In December 2018, Salem City Council held a joint work session with Marion County to discuss the solid waste management system in the City and Salem and Marion County. The staff report and video recording of the meeting can be found on the City's website at
