## **FACTS AND FINDINGS:**

Staff and Seller have come to terms on a Purchase and Sale Agreement (Agreement) (Attachment 2) for acquisition of the Property. Key terms of the Agreement are below.

Price:	\$1,418,000
Site Size:	7.24 acres
Earnest Money:	\$15,000
Closing:	no later than November 19, 2021

## **BACKGROUND:**

On July 26, 2020, Council authorized City Manager to execute a Purchase and Sale Agreement with the Seller for fee acquisition of a portion of the property in addition to an easement for Marine Drive NW right-of-way (Attachment 3). Upon completion of survey work and submittal of partition documents, unforeseen land use issues arose requiring actions which Seller was unwilling to undertake. In order to acquire the necessary right-of-way for Marine Drive NW, it is necessary to acquire the entire parcel of land and complete the required land use actions at a later date when the City is in full control of the Property.

Funding for this acquisition will come from a combination of funding sources including: 2008 Streets and Bridges Bond/Marine Drive NW funds, Stormwater Utility Rate funds, and American Rescue Plan Act (ARPA) funds.
